DATE:

TIME:

INSTRUCTIONS

Answer question one and any other two questions

QUESTION ONE (COMPULSORY) (30 MARKS)

(a) Describe the nature of each of the following current liabilities.

- (i) Contingent Liability
- (ii) Current Matutities of Long –Term Debt
- (iii) Income Tax Payable
- (iv) Warranty Payable (6Marks)

(b) ABC Corporation is considering two plans for financing the construction of a new Shs.5,000,000 plant. Plan A involves issuance of 200,000 shares of common stock at the current market price of Shs.25 per share. Plan B involves issuance of Shs.5,000,000, 8% bonds at face value. Income before interest and taxes on the new plant will be Shs1.5 million. Income taxes are expected to be 30 %. ABC Corporation has 100,000 shares of common stock outstanding.

- (i) Calculate the EPS resulting from both plans. (4Marks)
- (ii) Which plan would you advise on.? (2Marks)

- (c) Identify the features that distinguish Financial Lease from Operating Lease. (5Marks)
- (d) Explain the disclosure requirements of deferred tax as per IAS 12 (5Marks)
- (f) The following income Statement extracts belong to Expert Corporation for the three years 2015, 2016 and 2017.

	2015		2016		2017	
	'000'	'000'	'000'	'000'	'000'	'000'
Profit before Tax		1,000		1,000		1,000
Taxation						
Corporation Tax	290		410		500	
Deferred Taxation	110	400	(10)	400	(100)	400
Profit for the year	<u>600</u>		<u>600</u>		<u>600</u>	

For stakeholders such as shareholders, stock exchange analysts and would be shareholders, the profit after taxation figures on which earnings per share EPS would be calculated is 600,000 for each year. The timing difference distortion has thus been eliminated by inclusion of the deferred tax adjustments.

Assuming that corporation tax is payable on 1 January following each accounting year end, prepare:

- (i) Corporation Tax Account (6 marks)
- (ii) Deferred Taxation Account. (2 marks)

QUESTION TWO

- (a) Liverpool Corporation which manufactures appliances for other Companies made sales of shs.200,000,000 subject to product Warranties. In the past years between 4% and 6% of products proved defective and Liverpool management estimated that 5% of the products it will sell this year will require repair or replacement during the one year warranty period. The defective Merchandise totaled to Shs.8,000,000 half of which was repaired and half was replaced.

Required

- (i) Calculate the estimated warranty expense for the period. (2 marks)
- (ii) Show Journal Entries to record the estimated Warranty Expense. (2 marks)
- (iii) Show the Ledger accounts to record the repaired and replaced Merchandise. (2 marks)

- (b) Beta Ltd entered into an agreement to Lease a Vehicle from Mare Ltd. The market price of the Vehicle is Shs.10,000,000. Lease payments are 5 installments of Shs.2,571,000 paid at the end of each year.

Required.

- (i) Calculate the amount of finance Charge that will appear in each year's profit and loss as an expense. (4 marks)
- (ii) Show the Lessor's Account and the Finance Charge Account in the Books of the Lessee. (10 marks)

QUESTION THREE (20 MARKS)

The stockholders' equity section of Tinker Corporation as at 31 December 2018 was as follows:

TINKER CORPORATION

STATEMENT OF FINANCIAL POSITION (EXTRACT)

	Shs.'000"
Paid –in-Capital	
Preferred Stock, Cumulative, 10,000 shares authorized, 6,000 shares issued and Outstanding	600,000
Common Stock, no par 750,000 authorized, 600,000 shares issued	<u>1,200,000</u>
Total paid-in-Capital	1,800,000
Retained Earnings	<u>1,858,000</u>
Total paid in Capital and Retained Earnings	3,658,000
Less: Treasury Stock (12,000 Shares)	<u>64,000</u>
Total Shareholders Equity	<u><u>3,594,000</u></u>

The CEO of the Company does not understand the above Statement clearly.

Required.

Review the stockholders' equity section and as the Chief Accountant, answer the following questions from your CEO.

- (a) How many shares of Common Stock are Outstanding? (2 marks)
- (b) Assuming there is a Stated Value, what is the stated value of common Stock? (4 marks)
- (c) What is the Par Value of Preferred Stock? (4 marks)
